

THE KOMATSU HERITAGE

As part of the Komatsu family, we have a proud heritage of excellence and superiority in equipment design and manufacturing. Since 1921, Komatsu has been a global leader in the construction and mining equipment industry. And since 1945, we have built upon that heritage by producing innovative, high-quality, durable forklifts to meet and exceed the needs of our customers. Today, our ISO 9001-certified plant in Covington, Georgia builds forklifts for North and South America, Canada, Mexico, and Latin America.
